11	BAE Systems (1,700)		23	L-3 Communications Titan Group (600)
12	Legg Mason (1,650)		24	Battelle (400)

ANIMATION, GAMING & SIMULATION*

#	Company
25	BreakAway Ltd. (110)
26	Big Huge Games (100)
27	Firaxis (65)
28	Bethesda Softworks (NA)

* Greater Baltimore is considered one of the top 5 US markets for Animation, Gaming and Simulation. What started as gaming development for entertainment has evolved to include simulation for military training. In addition to these emerging firms, larger firms, such as AAI, have made simulation part of their product lines.

* Regional employment shown in parentheses; the same company number is used to indicate multiple locations. Also shown are regional companies with a high concentration of IT workers.
